

Mrs Madden's Class News

Friday 29th September 2023

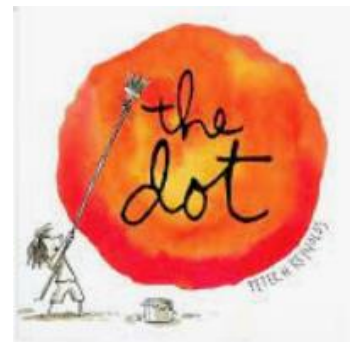

This Week...

The children loving our phonics lessons and all the activities they've taken part in linked to the phonemes: 'i n m d'.

Children have been

- playing with **i**nsects in the grass
- **n**uts and bolts play
- exploring **m**agnets
- **d**inosaur world play
- story 'The **D**ot' by Peter H Reynolds – **d**ot inspired artwork

The story 'The Dot' was lovely to give the children the confidence that they can create anything and have that can-do mind set. The children have begun creating some beautiful dotty artwork for our display, we'll continue this next week.

We've our topic work on 'Families' – we've looked at the family photos which were added on Tapestry for us. We haven't had many families add their photos to Tapestry, please do share them with us as it's a wonderful opportunity for your child to develop their communication skills when they tell us about them.

Next Week...

We will continue to learn new phonic sounds 'g o c k' and enjoy a variety of activities and the children will be practising their scissor skills. The children will have the opportunity to draw their families.

More News...

Tapestry – Activities to support reading will be added weekly for Reception. The sound cards can stay at home to support their reading homework. Please do not put water bottles in book bags as they can leak. Books are changed on a Friday, please ensure your child brings their books to school on this day. Thank you.

Have a wonderful weekend.

Mrs Madden ☺
