

Mrs Madden's Class News

Friday 17th November 2023

This week....

We've had a quieter than normal week due to lots of children being off school poorly.

We started the week learning about Diwali, the Hindu festival of lights. The children asked really good questions about the story of Rama and Sita. Great listening, children!

On Thursday, we enjoyed welcoming family members to our Learn with Me, thank you for attending if you were able to.

The children were brilliant at our PE game 'Volcanoes and Mountains' even if they did make up their own rules towards the end!

Children is Need was a huge success – wow, what amazing 'crazy' hair styles we saw!

Next Week... we will be full steam ahead with Nativity rehearsals!

Have a wonderful weekend.

Thank you for your continued support.

Mrs Madden 😊
