

## Mrs Madden's Class News

Friday 14<sup>th</sup> March 2025

We started the week with a discussion about Spring and what changes we'll begin to see in our local environment. We've been singing songs about spring. 'I'm a Spring Chicken' is a firm favourite with our class (and with the older children!)

We've been busy working our fingers muscles with tiny buttons and Spring pictures. We finished our 'rainbow cloud' cutting ... don't they look fabulous!

In Maths, we've been comparing numbers and quantities using the language more and fewer. Counting objects and practising number formation.

Bikeability sessions continue to go well, and in PE the children balanced balls on tennis racquets and controlled the ball on the ground with their racquet.

Next week we will go on a walk around the school grounds and record what we have seen.

I hope you all have a wonderful weekend. 😊  
Mrs Madden
