

## Mrs Madden's Class News

Friday 16<sup>th</sup> May 2025

We've really enjoyed the good weather and had lots more time outside in the sunshine!

We've had some Year 5 children come to visit us this week. They read our children stories, helped them with maths games on the interactive whiteboard and enjoyed playing shops and cafes.

In PE, the children have been practising their balls skills. We are excited for Sports day on Wednesday! Please ensure your child's PE kit is in school on Monday so we can practise.

Next week we will complete our artwork for Middlewich's Folk and Boat Festival.

A couple of reminders...

Please do not put water bottles in book bags, sadly, we've had some books sustain water damage. If you could also let grandparents that collect or drop off know this, please.

Please put your child's name in their sunhats, cardigans, jumpers, coats etc. If items are unnamed, it makes it very difficult for us to ensure items aren't put in the wrong bag etc. Help us to help you.

Have a wonderful weekend and we'll see you next week!

Mrs Madden 😊
