

Mrs Madden's Class News

Friday 24th May 2024

It's been a fabulous half term, the children continue to grow with their confidence, independence – they are certainly getting Reception/Year One ready!

How amazing was Sports Day! We couldn't have been prouder of the children for all their efforts and huge thanks to our Year 6 children who did a wonderful job of guiding Nursery and Reception around the activities. Thank you for cheering them all on.

After half term our topic will 'All at Sea' where we will learn about the ocean, seas, sea creatures, different types of boats, and the importance of the ocean. It's a great opportunity for children to explore their understanding of the natural world, develop language skills, and engage in hands-on activities. We may encounter some pirates and mermaids along the way!

Huge thanks again for your continued support.

We return to school on Monday 3rd June, have a wonderful half term break.

Mrs Madden 😊
