

Mrs Madden's Class News

Friday 13th June 2025

This week...

What a fantastic turn out we had for our Science 'Learn with Me' on Tuesday! Huge thanks for coming to share our learning, the children loved showing their activities with you.

We have enjoyed lots more water and sand play inside and out. The light table creations continue to impress us, they are using the available resources so creatively.

Next week...

Is a very exciting week as we look forward to our two 'move up' days on Thursday and Friday. The feedback from parents last year regarding the transition was very positive. In EYFS, we look forward to welcoming our new Nursery and Reception children.

Have a wonderful weekend,

Mrs Madden 😊
