

Byley Primary School and Nursery - Newsletter

Friday 13th June 2025

A message from Miss Whittingham: what a great week. The children - and staff - have been working very hard. The KS2 Show rehearsals are well underway. I keep seeing and hearing groups of children running through their lines and practising with each other! I am very much looking forward to seeing the final performances. So many children have made a lot of progress over the last 2 weeks of swimming. Many parents have commented on how much their child/ren has improved in confidence and ability in their weekly lessons.

IMPORTANT: children waiting to come into school at the start of the day should stand in the area inside the school gate where there is now plenty of room to wait. If children are waiting outside the gate on the roadside, they should be accompanied by an adult. They must not be standing in or near the entrance to the staff car park.

Science Learn With Me: the EYFS session was very well attended. It was so lovely to see the activity sharing and fun that was had. The next session is for Year 3/4 on Tuesday 17th June.

FAB Festival: please see the links below for the songs the children will be singing on stage on Sunday. It would be lovely to see lots of Byley children on the stage. I will be there to watch.

Don't forget to pop into the Church to see the artwork from the local schools..

NEP Art Exhibition: the artwork is on display in the windows of the art gallery, at Barons Quay, with work from other schools in the partnership. The gallery is on the right as you walk round to the cinema. The display is on until 21st June. Each class has contributed towards the final piece signifying what makes us proud. We decided that being part of the Byley Community makes us proud. See the attached poster.

Byley Rose Day: what a fabulous event this was. The rain did stop in time for the procession to take place. I was SO proud to see 14 children from school taking part in this lovely community event. Thank you to all of you who came along and took part or supported. Nellie and I had a great time. Nellie was very well behaved too - which was good news!

Lunchtime stars: I have enjoyed having lunch with Spencer, Max, Oscar, Lennon R, Jack, Olivia, Ellie and Lucia this week. I am looking forward to having lunch with more children next week.

Thank you for your continued support, Elizabeth Whittingham (Headteacher)

FAB (Friends At Byley)

Please help raise funds for our school by checking out through the easy fundraising website. It's easy to do and costs nothing. Go to the link:

www.easyfundraising.org.uk/causes/byleypta/

Click on support cause and then create an account. This means you can then visit the easyfundraising site and the retailers will make a small donation to the FAB.

You can also set up reminders on your toolbar so that when you visit one of the named sites it will ask you if you want to donate - this will not cost you ANYTHING and saves you visiting easyfundraising to see your chosen shopping site is listed.

Any funds the FaB make go straight back into making our school an even better learning environment for our children, so any help is greatly appreciated.
