

Byley Primary School and Nursery - Newsletter

Friday 20th June 2025

A message from Miss Whittingham: what a busy week! The Year 5/6 children enjoyed their trip to Crucial Crew on Tuesday - an educational programme focusing on personal safety and life skills. My School Improvement Partner (SIP) was in school yesterday. As always, he was very impressed by Byley - particularly the politeness and good behaviour of the children.

We also have had our 2 Moving Up Days. They have gone very well. All the children said they have enjoyed working in their classes for September and are now excited for the return to school after the summer break - as are the staff.

Youth Parliament: On Monday, I took our Head Students to Sandiway Primary for the final meeting. Lois and Cameron presented our project to the other schools. They did very well. Everyone was impressed with our idea of inviting more senior members of the community into school to work/meet/chat with children in school - Creating Connections across the Generations! Towns Sport: on Wednesday, some children from Key Stage 2 took part in the local Town Sport event. They all performed brilliantly displaying perseverance, determination and resilience. They also represented Byley so well by showing great sportsmanship. Well done to all those who took part. Thank you also to our support team for your encouragement! Science Learn With Me: the Year 3/4 session was very well attended. It was so lovely to see the different activities with parents and children working together. Lovely feedback too! The next session is for Year 1/2 on Monday 23rd June @ 9 a.m.

FAB Festival: the children's artwork in the Church looked wonderful. I hope some of you got chance to see it. I was so delighted to see SO many Byley children taking part in the Singing on Sunday morning. We certainly had the best representation of children.

NEP Art Exhibition: the artwork is on display (until tomorrow 21st June) in the windows of the art gallery, at Barons Quay, with work from other schools in the partnership. The gallery is on the right as you walk round to the cinema. Each class has contributed towards the final piece signifying what makes us proud. We decided that being part of the Byley Community makes us proud.

Lunchtime stars: I have enjoyed having lunch with Isaac this week. I am looking forward to having lunch with more children next week.

Thank you for your continued support, Elizabeth Whittingham (Headteacher)

FAB (Friends At Byley)

Please help raise funds for our school by checking out through the easy fundraising website. It's easy to do and costs nothing. Go to the link:

www.easyfundraising.org.uk/causes/byleypta/

Click on support cause and then create an account. This means you can then visit the easyfundraising site and the retailers will make a small donation to the FAB.

You can also set up reminders on your toolbar so that when you visit one of the named sites it will ask you if you want to donate - this will not cost you ANYTHING and saves you visiting easyfundraising to see your chosen shopping site is listed.

Any funds the FaB make go straight back into making our school an even better learning environment for our children, so any help is greatly appreciated.
