

# Mrs Madden's Class News

Friday 4<sup>th</sup> July 2025

This week, we have been learning more about doubling in Maths using Numicon. The children are trying so hard!

In PE, the children practised their football skills, they learned to kick the ball carefully and gently. To cool down, the children enjoyed a game of 'Duck, duck, goose!'

A couple of weeks ago, Daisy kindly brought some caterpillars in for us. This week, we set them free in the woodland area! Thank you, Daisy!

We enjoyed revising 'oi' in Phonics by playing coins in the pirate chest!

We also enjoyed some small world pirate play!

Next week, we will continue our mermaids and pirates theme!

Have a lovely weekend!

Mrs Madden 😊
