

Our year has been so full of fun,  
Learning through play in rain, snow and sun.  
Our year has now come to an end,  
You've grown so much and made great friends.  
We've had lovely times along the way,  
Your smile cheers us up, each and every day.  
So, remember you're fantastic, a little shining star,  
Keep being incredible and just perfect as you are.

We can't thank you enough for all your kind words and generous gifts.  
Today was a very emotional one, we have been truly touched by your  
generosity and words appreciation – thank you.

Saying goodbye at the end of the school year is never an easy task for me  
and this year is no exception – home-time was evidence of that!

This year I say goodbye to one family for which I have been teaching their  
children for a fair few years – nine years in fact!

I never take for granted how privileged I am to be a child's first teacher  
and creating a learning atmosphere full of fun, love and care is something  
so important to me.

I'm so lucky to have the best team around me who certainly create our  
Dream Team – my thanks to them, always.

I have so many wonderful memories of such amazing children, this year.  
who will remain in my heart forever.

I wish them every success as they move through the school.

My love and best wishes to you all.

Have a great summer.

Mrs Joanne Madden
